**ELEMENTAL TOUR BRINGS MUSIC BACK TO BASICS
INDIE MUSICIANS CONNECT ON 20+ DATES ACROSS CANADA**

June 9, 2005 (TORONTO) – Bridging the distance and diversity of Canada and its people, this summer's **Elemental Tour** unites independent artists in a musical journey across Canada. This indie artist exchange will showcase like-minded, do-it-yourself artists taking charge of their musical futures by handling both the creative and business sides of their music. The **Elemental Tour** features artists with strong spiritual and elemental connections, including Victoria's **Caroline Spence**, Thunder Bay's **Catherine Taddo**, Sault Ste. Marie's **Chris Belsito**, Vancouver Island's **James Kasper**, and Southern Ontario's **Vile Richard**. With its themes of balance, interconnectivity, peace, and getting back to roots, the **Elemental Tour** kicks off this June in Toronto, and will make its way into Quebec, through Ontario, across the Prairies into British Columbia, and conclude in Victoria.
